## From the director

HeartShine's "inner-beauty" message shines brighter than ever with more opportunities to represent your title locally and as a group. More group Sisterhood events and photoshoots are on the horizon, so make sure you're up-to-date on your hours so you don't miss any of the fun.

## A quick word from Danna

I'm so proud of everyone for making this year our most active year since our founding! From raising toys for Toys-for-tots to volunteering for beach clean-ups, this group of titleholders are setting the standard for what it means to carry a HeartShine crown.

# Good news this week

HeartShine's "Mrs" titleholders recently hosted the first ever Royalty Dinner in beautiful downtown Sacramento. Here, they planned their next community service efforts and shared resources while having fun participating in team-building exercises.
